

University of Modena and Reggio Emilia

INSTM & Department of Chemistry – SCS Center

April 25th, 2006

## Post-doctoral position available

Dear Colleagues,

a post-doctoral position is available **IMMEDIATELY** at the Department of Chemistry, University of Modena and Reggio Emilia, Modena (Italy) & at the Department of Organic and Industrial Chemistry, University of Parma, Parma (Italy). The position is for **1 year**.

**Title: “The Molecular Printboard: Organization of Single Molecule Magnets on Si(100) surfaces pre-functionalized with cavitands”**

*Research Subject:* the research aims at the realization of two-dimensional arrays of Single-Molecule Magnets on silicon using supramolecular receptors.

*Curriculum Vitae:* a solid background in organic chemistry will be positively evaluated.

*Colloquium:* (a) synthesis and characterization of organic compounds; (b) supramolecular chemistry.

Candidates are encouraged to contact me **as soon as possible** by email to receive additional information on the scientific program and application.

Sincerely yours

Prof. Andrea CORNIA

Andrea CORNIA, Associate Professor
